## BUS SERVICE

### Conditions of Use and Student Agreement

The bus service will only be provided to College students who demonstrate acceptable standards of behaviour in keeping with the Christian ethos of the College. Ultimately, the behaviour of students is the responsibility of parents. Parents who wish their children to use this service are requested to read the conditions below with their children, which summarise the behaviour standards expected of students as described in the Bus Standards Policy. The student is then to sign his or her agreement below.

- a) Parents and students are expected to be conversant with the standards and conditions of the full Bus Standards policy.
- b) Parents are expected to deliver students to their stop 5 minutes earlier than timetabled in the morning, and be at the stop 5 minutes prior to the scheduled afternoon time for collection.
- c) The Driver's instructions are to be adhered to at all times.
- d) Fighting, bullying, arguing, bad language, moving around the bus whilst it is in motion, leaning or hanging out of bus windows will not be tolerated.
- e) Seatbelts must be worn at all times.
- f) No food or drink (with the exception of water) is to be consumed on the bus.
- g) It will be an ongoing responsibility of parents to ensure that their children have a valid bus pass, which is to be presented to the Driver when boarding the bus.
- h) Families who wish to terminate their bus application must return their current bus pass to the Business Office before a credit will be issued.
- i) Changes may be made to the timetable from time to time. Where this occurs, the College will make all reasonable attempts to contact affected families.
- j) In the event of unforeseen circumstances, such as road closures, accidents, or extreme weather, the College reserves the right to vary transport arrangements for students. Whilst every effort is made to contact parents about this, it may not always be possible to do so in advance.
