

SECONDARY LOCKER CONTRACT 2017

Please read this document carefully. When signed by you and your parent/guardian, it becomes a legally binding contract. This form must be read and signed by the student user and a parent or legal guardian before we can provide the student with a locker and padlock. Lockers are **NOT** compulsory, and students are free to apply for one or not—depending on their use of the lockers.

By signing this form I _____ (*print student's name*) and my parent(s) or guardian(s) agree to abide by the following conditions. I have discussed these rights and responsibilities with my parent(s) or guardian(s).

A charge of \$50 per year will added to my parent(s)/guardian(s) College account. The lock will remain the property of the College. The loss of this lock will incur a charge of \$80, which is the cost of a replacement lock. This cost will be charged to my parent(s)/guardian(s) College account.

I accept responsibility for my locker and lock and understand that the College cannot accept responsibility for any belongings inside the lockers. Students are strongly advised NOT to keep valuable items in their locker, especially at weekends.

Lockers must be cleared at the end of every Term, the lock removed and kept by the student during the holidays and the locker left open. The College is visited by unwelcome guests during many holiday breaks, and lockers are often a target. At the end of the year the lock **must** be returned to the office otherwise an \$80 fee will be incurred.

The College reserves the right to search lockers at any time.
