

FEE SCHEDULE

April 2021 to March 2022

HOW OUR FEES ARE CALCULATED

A number of factors are taken into consideration when calculating tuition fees for the coming year. These include, but are not limited to, ensuring staff salaries are competitive, projected expenses, a comparison to similar schools, Government funding, the Consumer Price Index for Education, and the overall viability of the College. Tuition fees only account for about 33% of our income. The fees we charge parents represent the gap between the total cost of educating a student and the funding we gratefully receive from the State and Federal Governments. As a not-for-profit organisation, we operate on a 'break even' budget and not profits are derived from any fees charged.

TUITION FEES AND CHARGES (RESIDENT STUDENTS)

SECURITY OF ENROLMENT FEE

\$ Per Student

A Security of Enrolment Fee applies per student, for the first two students enrolled and is payable within fourteen days of the date of your Letter of Confirmation. This is applied to your College fees account in the first Term following the student's commencement but is otherwise non-refundable. The College reserves the right to allocate a place to another student in the event that this fee is not paid by the due date.
