POSITION DESCRIPTION

REHOBOTH CHRISTIAN COLLEGE

IMAGE: WILSON PRIMARY 2022

OUR VISION

To engage the whole child to think, respond, and live with excellence for the glory of God alone.

OUR MISSION

Rehoboth exists as an extension of the Christian home, partnering with parents as a covenant community to support them in their task of nurturing and educating their children to equip them for all of life.

OUR PURPOSE

We believe that it is our purpose as educators and parents to orient our students Biblically toward the knowledge of God, the Gospel, humanity and all of God's creation, so that they would seek His will, see things as He sees them, and engage with and influence the culture in which they live. We believe that the Christian school must partner with parents and churches to develop the whole child (i.e. their spiritual, moral, academic, personal, and social growth), to inspire them to excel, to be intolerant of mediocrity, and to make wise choices. Such an education is distinctly Christian in its character, intentions, and outworking.

1. POSITION SUMMARY

Title: Teacher

Responsible to: Principal

FTE: Relief, full-time and part-time

Description: A teacher at Rehoboth is considered a Christian educational professional and performs teaching and associated pastoral care duties in and out of the classroom. Teachers work closely with colleagues to develop and implement innovative learning programs that satisfy Australian Curriculum standards. A teacher is able to demonstrate an interest in implementing innovative teaching and learning principles in the classroom.

2. INTRODUCTION

Rehoboth Christian College seeks to provide a learning environment in which all students are protected from harm and places the highest possible priority upon the safety and nurture of young people. The College expects all stakeholders to espouse this approach and to be aware of the Child Safe Framework, accessible from the College website.

Founded in 1959, the Association for Christian Education opened Rehoboth Christian College in 1966 to serve Christian families through the provision of Christ-centred schooling. The Association is made up of members who elect a Board; the Board in turn has appointed a Chief Executive Officer to be its representative.

The Association currently operates three schools across two campuses in the southern suburbs of Perth. The campuses are located at Wilson (Kindergarten to Year 6) and Kenwick (Kindergarten to Year 12) with the Secondary School offering ATAR, Wholly School Assessed and Vocational pathways.

We view the Christian curriculum as a total package of all learning and shaping experiences in which our children are involved. It includes the work of the home, school, and church in a distinct three-way partnership. We encourage our students to examine the world and their role in it from a Christian perspective. This permeates interpretations, viewpoints, meanings, attitudes, values, contexts for understanding and more to comprise a holistic Christian worldview.

Students examine important foundational aspects of the Christian faith (Creation, Fall, Redemption and Restoration) and are taught to view the Bible as the Word of God which is completely trustworthy and reliable. Regular devotions, prayer, and Bible study are an integral part of College life, and we aim to lead our students to a point where they personally desire to think with the mind of Christ.

Rehoboth has a justified reputation for developing and delivering a distinct Christ-centred education, and for encouraging and guiding students in discovering their individual gifting and the path God has prepared for them (Ephesians 2:8-10). It is therefore essential that management of the College be committed to providing Biblically based leadership in a manner consistent with the College’s Christian values and ethos.

A whole-College approach, where students’ educational journeys have a clear and purposeful K-12 plan, is integral to the College’s educational philosophy. As such, the leadership and management of the College ought to be conducted within the framework of “three schools, two campuses, one college”. This model emphasises significant participation in the activities of the Senior Leadership Team, which is led by the CEO.

3 SCHOOLS | 2 CAMPUSES | 1 COLLEGE

Rehoboth promotes a unified College, with a singular vision and mission. Educational programs are mirrored at both our Wilson and Kenwick campuses and staff are committed to whole-College planning across all aspects of teaching and learning.

3. STRATEGIC GOALS OF THE COLLEGE

As detailed in our **AXIOM23 Strategic Plan**, we plan to make four areas our priority over the period 2020-2023 (see sidebar). The College aims to employ teachers who can cogently demonstrate their alignment with these strategic goals and have experience with, or are determined to embrace, their implementation.

The College uses the SEQTA Learning Management System. The incumbent will be required to use this application in various ways. Greater use of technology – for example, the use of SEQTA learn, flipped classroom lesson delivery, and use of cloud technologies – are now a growing feature of teaching and learning at the College.

Underpinning these priorities is our purpose at Rehoboth, to develop and deliver distinctly Christian educational programs. It follows that such an education should be shaping students of distinctly Christian character.

AXIOM23 STRATEGIC PRIORITIES

These are the initiatives we believe are best suited to drive the change necessary to achieve the vision for the Rehoboth of 2023. Each is driven by Rehoboth’s Christian ethos and shaped by our Christian heritage.

1. *Thinking Christianly: Biblical Literacy as Curriculum Foundation*
2. *Teaching Christianly: Re-Orienting Pedagogy and Classroom Practice*
3. *Responding Christianly: Discovering Gifting and Calling*
4. *Living Christianly: Student Care, Development, and Preparation*

Our call to students, therefore, is to be distinct – to develop and deepen their Christian identity and character during their time at Rehoboth. It is a call for students to engage with and take responsibility for their learning, to use the opportunities presented to them to discover the gifts and calling God has placed on their lives, to see Christ as worthy of their best, and to take their place as young men and women of outstanding character and citizenship.

It has always been our goal that students would graduate with a distinctly ‘Rehoboth’ character, one that considers the whole child’s spiritual, emotional, social, and physical development without compromising on academic rigour. At the same time, we recognise that each student is unique and will excel in some areas of the Learner Profile over others; this is the nature of the gifts and talents God has bestowed on them. Our aim is to nurture the five areas that are fundamental to the development of the whole child in age-appropriate ways according to their abilities, gifting, and calling.

Here are the characteristics we seek to develop in our students:

4. GENERAL EXPECTATIONS

A Teacher at Rehoboth would choose to be regarded as a Christian educational professional. This description would be reflected in the incumbent’s relationship with God, as well as with students, parents, colleagues, and with self.

As Rehoboth is dedicated to implementing a biblically-integrated curriculum, with a commitment to excellence and training in a thoroughly Christian worldview, the incumbent is expected to unreservedly espouse this approach, and to maintain and advance it with competence and verve.

Applicants should be active committed Christians, preferably of the conservative evangelical and reformed persuasion. All teaching staff are required to ascent to the doctrinal position of the Association and should have read and be able to observe the Westminster Confession of Faith or the Three Forms of Unity. A Teacher in particular must be able to uphold these doctrines which are foundational to the College. The successful candidate will also be actively involved in the life of the church, strongly committed to Christian education, and possess excellent communication and leadership qualities.

At Rehoboth, a Teacher should:

- b) be an active member of the Teacher's Registration Board (TRB) and hold a valid Working with Children Check (WWCC);
- c) be actively involved in the general life of the College, including where appropriate co-curricular activities, and promote the totality of the educational experiences offered at the College – spiritual, social, cultural, aesthetic, physical, and epistemological.
- d) support the policies, aims, and strategic planning goals of the Board of the Association for Christian Education (ACE);
- e) be conversant with, and actively support, all College and ACE policies, including the Westminster Confession of Faith;
- f) demonstrate in all dealings with students a support of College rules and procedures;
- g) attend all lessons (unless prior arrangements have been made) and be punctual to all classes;
- h) assume pastoral care responsibilities in any role within the College, be it classroom teacher, tutor, sporting coach, activities coordinator, or in some other aspect of the range of experiences that bring staff and students together;
- i) act as a conduit between parents and the College when assuming the role of classroom teacher;

- j) be punctual for all rostered days of work;
- k) where appropriate, attend: staff devotions, staff prayer meetings, staff meetings, assemblies, ACE meetings (such as the March and October General Meetings), graduation/award nights, concerts, and other key activities and events on the College calendar;
- l) carry out extra duties as required by the supervisor from time to time;
- m) carry out those administrative classroom requirements that are essential to the smooth operation of the College;
- n) adhere to the specific requirements of a department within the College, or of the College in general;
- o) dress to an exemplary standard suited to the profession.

- g) be cognisant of special requirements associated with safety and emergency procedures as they relate to the specific subject domains and to the College in general; and
