

# **REHOBOTH CANTEEN**

## **HOMEBAKED PROVISION**

### **REQUIREMENTS and HEALTH & SAFETY GUIDELINES**

**Please do not bake if you are unwell and inform us immediately to make alternative arrangements.**

Any baked goods should be prepared at home in a clean environment.

**1 HOUR COLLEGE SUPPORT = 24 – 30 LARGE, READY TO SERVE CAKES / MUFFINS / COOKIES. STORE BOUGHT PROVISION DO NOT QUALIFY FOR COLLEGE SUPPORT HOURS.**

You will not receive any college support hours if you do bring this in.

All baked goods should be of generous portions to enable us to sell them for \$1 each.

Please use the **large** size cupcake holders when baking cupcakes and fill them generously.

**DO NOT use any NUTS** as it is against the schools' "Nut free" policy. All ingredients should be fresh and **within the "use by" date**. Please do not use expired or old products.

The Canteens are very conscious about wasting food. Please do not bake recipes unfamiliar or unusual such as vegetable-based cakes or zucchini slices. Although they are a good option they do not sell in the canteen.

**The most popular baked goods are Chocolate brownies, Chocolate- or Vanilla cupcakes covered with a little bit of icing and sprinkles or Chocolate chip cookies. Please ice cupcakes as they do not sell if they are not iced.** Cupcake or cookie box mixes (such as Betty Crocker) can be used.

Consider a few small changes to offer healthier options to our students and staff. For example:

- Consider recipes with lower amounts of sugar and no preservatives or colouring.
- Use less icing and consider water-based icing instead of large amounts of buttercream.
- A Muesli slice (Nut free) recipe is available at the Canteen as a good alternative.

Jelly cups are allowed but should be cleared with your Campus Canteen before sending them in. (Baked goods are still preferred) Cups should be 200ml and filled to the top. Disposable spoons must be included.

Every item must be **individually wrapped** for hygiene and safety compliances.

Containers used for delivery should be **clearly labelled** to enable Staff to apply college support correctly and can be returned at delivery.

Baked goods should be delivered to the Canteen not later than 9:00am.

Please contact us directly should you require further information.

Thank you,
