

# Chaplain & Child Safety Officer Position Description

## Our Vision

To engage the whole child to think, respond, and live with excellence for the glory of God alone.

## Our Mission

Rehoboth exists as an extension of the Christian home, partnering with parents as a covenant community to support them in their task of nurturing and educating their children to equip them for all of life.

## Our Purpose

We believe that it is our purpose as educators and parents to orient our students Biblically toward the knowledge of God, the Gospel, humanity and all of God's creation, so that they would seek His will, see things as He sees them, and engage with and influence the culture in which they live. We believe that the Christian school must partner with parents and churches to develop the whole child (i.e. their spiritual, moral, academic, personal, and social growth), to inspire them to excel, to be intolerant of mediocrity, and to make wise choices. Such an education is distinctly Christian in its character, intentions, and outworking.

## 2. Introduction

Founded in 1959, the Association for Christian Education opened Rehoboth Christian College in 1966 to serve Christian families through the provision of Christ-centred schooling. The Association is made up of members who elect a Board; the Board in turn has appointed a Chief Executive Officer to be its representative.

The Association currently operates three schools across two campuses in the southern suburbs of Perth. The campuses are located at Wilson (Kindergarten to Year 6) and Kenwick (Kindergarten to Year 12) with the Secondary School offering ATAR, Wholly School Assessed and Vocational pathways.

We view the Christian curriculum as a total package of all learning and shaping experiences in which our children are involved. It includes the work of the home, school, and church in a distinct three-way partnership.

We encourage our students to examine the world and their role in it from a Christian perspective. This permeates interpretations, viewpoints, meanings, attitudes, values, contexts for understanding and more, to comprise a holistic Christian worldview.

### CHILD SAFE PROGRAM

Rehoboth seeks to provide a learning environment in which all students are protected from harm and places the highest possible priority upon the safety and nurture of young people. The College expects all stakeholders to espouse this approach and to be aware of the Child Safe Program, accessible via the College's website.

CREATION

FALL

REDEMPTION

RESTORATION

Students examine important foundational aspects of the Christian faith (Creation, Fall, Redemption, and Restoration) and are taught to view the Bible as the Word of God which is completely trustworthy and reliable. Regular devotions, prayer, and Bible study are an integral part of College life, and we aim to lead

### 3 SCHOOLS | 2 CAMPUSES | 1 COLLEGE

Rehoboth promotes a unified College with a singular vision, mission, and purpose. Educational programs are mirrored at both our Wilson and Kenwick Campuses and staff are committed to whole-College planning across all aspects of teaching and learning.

our students to a point at which they personally desire to think with the mind of Christ.

Rehoboth has a justified reputation for developing and delivering a distinct, Christ-centred education, and for encouraging and guiding students in discovering their individual gifting and the path God has prepared for them (Ephesians 2:8-10). It is therefore essential that the person and office of the CEO be committed to providing Biblically based leadership and management at the College in a manner consistent with the College's Christian values and ethos.

A whole-College approach, where students' educational journeys have a clear and purposeful K-12 plan, is integral to the College's educational philosophy. As such, the leadership and management of the College ought to be conducted within the framework of "three schools, two campuses, one college." This model emphasises significant participation in the activities of the Senior Leadership Team, which is led by the CEO.

### 3. Strategic Goals of the College

As detailed in our AXIOM23 Strategic Plan, we plan to make four areas our priority over the period 2020-2024 (see sidebar). The College aims to employ teachers who can cogently demonstrate their alignment with these strategic goals and have experience with, or are determined to embrace, their implementation.

The College uses the SEQTA Learning Management System. Greater use of technology – for example, the use of Office 365 suite, flipped classroom lesson delivery, and cloud technologies – is now a growing feature of teaching and learning at the College.

Underpinning these priorities is our purpose at Rehoboth, to develop and deliver distinctly Christian educational programs. It follows that such an education should shape students of distinctly Christian character.

Our call to students, therefore, is to **be distinct** – to develop and deepen their Christian identity and character during their time at Rehoboth. It is a call for students to engage with and take responsibility for their learning, to use the opportunities presented to them to discover the gifts and calling God has placed on their lives, to see Christ as worthy of their best, and to take their place as young men and women of outstanding character and citizenship.

Our goal is that students graduate with a distinctly 'Rehoboth' character. Each child's complete spiritual, emotional, social, and physical development is addressed, without compromising academic rigour. At the same time, we recognise that each student is unique and will excel in certain areas of the

#### AXIOM23 STRATEGIC PRIORITIES

These are the initiatives we believe are best suited to drive the change necessary to achieve the vision for the Rehoboth of 2023 and beyond. Each initiative is driven by our Christian ethos and shaped by our Christian heritage.

2. Teaching Christianly: Re-Orienting Pedagogy and Classroom Practice
3. Responding Christianly: Discovering Gifting and Calling
4. Living Christianly: Student Care, Development, and Preparation
