1. How Our Fees Are Calculated

A number of factors are taken into consideration when calculating tuition fees. These include, but are not limited to, ensuring staff salaries are competitive, project expenses, a comparison to similar schools, anticipated Government funding, the Consumer Price Index for Education, and the overall viability of the College.

A resource levy is also calculated for each year level. This levy includes all other charges and expenses applicable to a particular year group, such as laptops, camps, excursions, classroom resources, etc. The only other expenses parents can then expect are uniforms and options such as IMP, bus fees, leavers jackets, booklists, and the Year 7 Canberra Trip.

As a not-for-profit organisation, we operate on a 'break even' budget. We do not derive a profit from any fees charged, nor are Board or Associations members paid any dividends. Tuition fees account for about 33% of the Association's income. The fees we set are essentially the gap between the funding we gratefully receive from State and Federal Governments (roughly 66% of income) and the total cost of educating a student.

To assist with the payment of fees, we offer a discount to families who complete five hours of volunteer time each semester as part of our College Support Scheme, and a further discount is available if the full year's fees are paid in advance.

2. Fee Schedules April 2026 to March 2027

The schedules on the following pages outline our tuition fees for the period April 2026 to March 2027 for the first, second, and third students in a family enrolled at Rehoboth. Tuition fees are not charged for any additional students enrolled at the same time.

The annual total is an estimate only of the base tuition rate and resource levy for each year level. It does not include options such as bus travel, uniforms, or enrolment in IMP.

Please note that the annual total comprises one term at the previous year's rate plus three terms at the new 2026-2027 rate.

The per month figure provides an indication of what parents can expect to pay on a monthly basis.

3. Other Fees and Charges

Security of Enrolment Fee

A Security of Enrolment Fee applies per student, for the first two students enrolled and is payable within 14 days of the date of a family's Letter of Enrolment Confirmation. This fee is credited to the family's College account for their first term's fees but is otherwise non-refundable.

Student Devices

All students in Years 4-12 are issued a Microsoft Surface Pro device along with a Microsoft account. Students retain these devices either until they are replaced by the College or the student's course of study ends. The College charges a bond, which is refunded once the device is returned, but there are no other costs to parents for their student's device (unless repairs or replacements are required outside of warranty).

Bus Service ⁽⁵⁾

We operate an in-house bus service, employing our own drivers and Fleet Manager to take care of students and the service. Three daily routes are available, servicing the Canning Vale, Cockburn, and Lesmurdie/Kalamunda Hills areas. A transfer service between the Wilson and Kenwick Campuses is also available for families who have students across campuses. The transfer service will be extended to include the future Gibbs Park Campus. Students are welcome to the bus service on a full-time, part-time, or casual basis.

Music lessons are an important part of the overall education that Rehoboth provides. Our aim is to enrich the lives of students by developing a passion and love of music and instrument practice. Learning an instrument enhances commitment, critical assessment, and time management skills. We offer tuition across a wide range of instrumentals as well as a variety of ensembles and bands at both campuses where students can be practically involved in making music and performing with other students.

Year 7 Canberra Trip

Students in Year 7 have the opportunity to travel to Canberra as part of their Civics and Citizenship studies. As this is not a compulsory camp, it is not included in the schedule of Year 7 fees. The cost for the trip is charged to the family's account separately once the student has been registered to attend.
